

A Message from the Easton Foundations:

Effective: June 15th, 2021

In accordance with guidance from the Centers for Disease Control (CDC) masks will no longer be required for fully vaccinated guests both indoors and outdoors. Those who are not fully vaccinated are expected to continue to wear a CDC approved face mask indoors.

We still encourage frequent handwashing and the use of hand sanitizer. The Easton Foundations staff will continue to maintain a mandatory cleaning schedule of all frequently touched surfaces.

Please note – some guests, staff and vendors may choose to wear a mask regardless of vaccination status. We ask that you respect their decision to do so.

Thank you,

Easton Foundations
Corporate Office
